INTRODUCTION

- ❖ Evolution Projects was founded in Doha Qatar, in 2013 as a construction and maintenance works company, it has historically been involved in the construction, landscaping, and maintenance services for commercial,
- ❖ Hotels, Restaurants, Schools, and private residential facilities.
- ❖ Evolution Projects has an extensive understanding of the diverse issues in construction, landscaping, and maintenance, incorporating health, security, safety, and environmental considerations under Qatar's standards and construction requirements
- ❖ Evolution Projects has the skills and experience through its management and labor, which they have utilized in the Qatar local construction market for over ten years.

ORGANIZATION

MAINTENANCE

- ❖ A dedicated maintenance team is established to deliver prompt services to educational institutions. Our skilled professionals manage all maintenance activities in schools, adhering to the standards set by the Qatar Supreme Educational Council to ensure safety and security.
- ❖ The services provided include:
- ❖ Civil architecture and Mech Plumbing Scope of work
- ❖ Plumbing services for all wet areas, including the maintenance of kitchen, toilets, domestic water tanks, and the resolution of leakage issues.
- ❖ Addressing concerns related to drainage systems and applying chemicals for odor control.
- ❖ Maintenance of School Facilities.

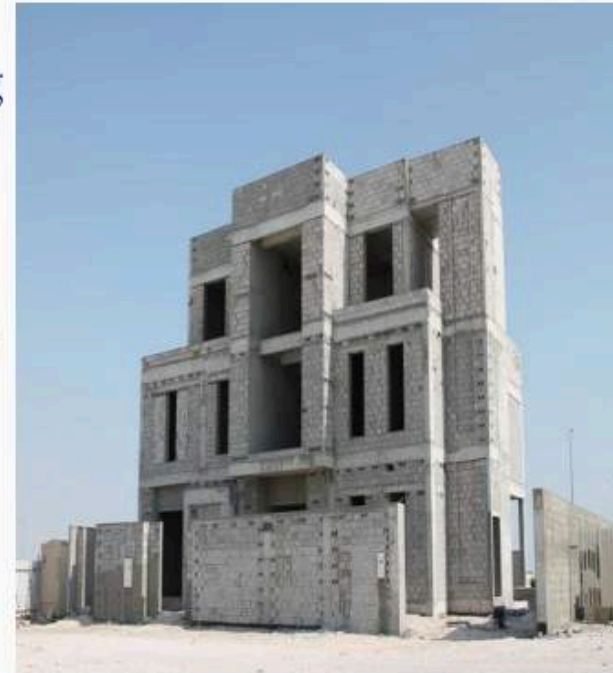

MAINTENANCE

- ❖ All maintenance works and duties are carried out through an annual contracting method, after contracting our team will provide and submit a future work plan coordinating with the client administration.
- ❖ We provide maintenance services for commercial and residential Buildings.

CONSTRUCTION

- ❖ Foundation works steel frames and wood shuttering.
- ❖ Block works installation.
- ❖ Plastering works according to the consulting engineering requirements.
- ❖ Painting works.
- ❖ Tiles and ceramic installing.
- ❖ Landscape. All landscape duties of excavation/irrigation network/garden soil mixing and leveling, and planting
- ❖ Natural stone cladding and mechanical installation.
- ❖ Coring works with specialized equipment.

- ❖ Supply and Installation of Water Tank at Abdullah Bin Jasim Al Thani Primary School Boys (Oct 2024)

SUMP PUMPS MAINTENANCE AND REPAIR

Maintaining and repairing of sump pump units which exist in the drainage main tanks. This unit must be maintained yearly.

Sump pump being a mechanical device will fail eventually, which could lead to a flooded basement and costly repairs. We offer maintenance and repair services for sump pumps to avoid issues with the primary system.

Health And Safety

- ❖ Working under a complete health and safety environment.
- ❖ Qualified Safety Officers.
- ❖ Conducting weekly TBTs.
- ❖ Monthly Safety Emergency Drills.
